Camp Cancellation Fee - Any camp cancelling or significantly reducing student numbers on confirmed bookings without sufficient and timely negotiation will be charged a late camp Cancellation Fee. 60% of a normal camp - to be calculated by multiplying the no. of students and adults on your confirmation form by the individual cost of camp. (Accommodation, catering, activity charges). Late is anything less than 6 school weeks prior to camp. As this can be a significant amount of money, it is important that you promptly discuss any issues or changes to your booking as soon as possible.
